

# To Our Guests

Shall a trumpet be blown in the city,  
and the people not be afraid? shall there be evil  
in a city, and the LORD hath not done it?

Amos 3:6

*Dear Friends,*

**T**hank you for visiting ***Blow the Trumpet***, a website dedicated to proclaiming the gospel as a warning to all nations. Unlike many sites sponsored by various churches, we think you will find Blow the Trumpet unique. This is because of its focus. Although much of the information you will see is designed to edify and encourage our visitors, there is also a strong element of correction. This correction is directed at not only the secular world in which we live, but also to God's true church and those whom He has called according to His purpose.

At this point, it is important to understand that ***Blow the Trumpet*** has absolutely no interest in condemning the world (Jn.3:17) or God's people. Our purpose is to appeal to them to submit their hearts and their lives to the Great Creator and Sustainer of heaven and earth. That Infinite Being is the True Moral Authority of the universe. Furthermore, His laws were specifically designed for the benefit of all mankind. They declare that there is a path that leads to a magnificent Kingdom that will one day be governed by an eternal God King. These great moral principles reveal not only who that King is, but also how He thinks. Additionally, God's law reveals His steadfast commitment to a remarkable plan He has for all mankind.

Regrettably, this world has rejected that law and its Architect. And this rebellion has even crept into the church. As a result, we now live in a world that seems bent on destroying itself and a church that has become indifferent to the true dangers that surround it. It is for this reason that our work was created.

We at ***Blow the Trumpet*** sincerely believe that we are living in the LAST DAYS. The apostle Paul called this time "perilous" (2Tim.3:1). His observation is straightforward and direct and reflects every facet of society today. One only has to pick up the morning newspaper to get a glimpse of the horrors that are about to descend upon this planet.

To this end, ***Blow the Trumpet*** believes it is time for God's people to lift up their voice and declare that God is a just God and that His justice will not remain still forever. It is close—even at the door. Once again, thanks for visiting.

Respectfully,

***Blow the Trumpet***
